

FIRE STONE GAS FIRE 42

After sundown, your neighbors may have to head inside but with a flip of a switch, the Fire Stone Gas Fire will make you want to stay and see the moon rise. If the evening turns cool, a patented design lets heat radiate forward - not escape upward - to keep you and your guests cozy and comfortable. Built to stand up to the elements for years, your Fire Stone Gas Fire 42 will provide an elegant focal point for any outside living area - and an open invitation for family and friends to gather.

The Gas Fire 42 Features

- Intellifire™ electronic ignition system.
- Complete gas fireplace system - LP or natural.
- Smoke free - no messy ashes.
- Realistic concrete logs and herringbone refractory are completely weather-proof.
- Vents through decorative front grille - eliminating any need for a chimney.
- Standard glass doors provide added control in windy conditions.
- Natural Gas - 61,000 BTU/hr.; LP Gas - 52,000 BTU/hr.
- Patented technology - UL listed.
- Can be used on any flat surface such as a deck, concret, and brick pavers.
- 15 year warranty.

Gas Fire 42

MODEL	HEIGHT	WIDTH	DEPTH	WEIGHT
Gas42HLP/NG (framing dimensions using combustible materials w/ clearances)	43 3/4"	49"	24 1/8"	975 lbs (fully assembled)
