

Jøtul GF 100 DV II Nordic QT

JøtulBurner™

Direct Vent Gas Stove

Using a Norwegian sweater pattern design, Jøtul's most compact freestanding gas stove – the Jøtul GF 100 DV II Nordic QT – offers zero clearance for easy, low cost installations. Perfect for your bedroom or bathroom, the GF 100 DV II Nordic QT optimizes Jøtul's revolutionary cast iron and stainless steel burner, the JøtulBurner™, to deliver exceptional flame picture realism with minimal heat loss. Options like a wall thermostat, mobile home approved floor bracket kit, variable speed blower fan kit, antique brick panel kit, remote control, a choice of enamel colors and our Jøtul Iron™ or Matte Black Paint enhance an already user-friendly heating system.

Options

- Antique brick panel kit (molded from real brick)
- Wall thermostat
- Remote control
- Variable speed blower fan kit
- Floor bracket kit (for mobile home installations)
- Choice of porcelain enamel colors
- Jøtul Iron™ or Matte Black Paint
