

# Jøtul GF 200 DV II Lillehammer

JøtulBurner™

## Direct Vent Gas Stove

Jøtul's often imitated open door fire viewing feature has been designed into the Jøtul GF 200 DV II Lillehammer. Incorporating Jøtul's new revolutionary cast iron and stainless steel burner, the JøtulBurner™, the Jøtul GF 200 DV II Lillehammer is the perfect stove for your bedroom...or any other room in your home. Options available for the Lillehammer are: variable speed blower fan kit, antique brick panel kit (molded from real brick), screen for open door fire viewing, floor bracket kit (for mobile home installations), wall thermostat, remote control, a choice of three enamel colors or Matte Black or Jøtul Iron™ Paint.
